Eduardo De La Trinidad Vera

Eddyvera2000@icloud.com | (775) 386-8485 | www.linkedin.com/in/Eduardo-DLT-Vera

Education

Sam Houston State University **Huntsville, Texas**

Bachelor of Science in Computer Science Expected Graduation, May 2026

- **Concentrations**: Software Engineering/Information Technology
- **Related Coursework:** Object-Oriented Programming, Data Structures and Algorithms, Design Techniques, websites, and app development

Experience/Projects

Study Buddy **Aug 2025 – Dec2025**

- Full-Stack Developer
- Features include the ability to create an account, login into account, and store in database. Create a booking for a study session.
- Includes Frontend/Backend/Database/Security/Collaboration

Eddys Compiler **Jan 2025 – May 2025**

- Designed and implemented a Compiler in C#
- Built compiler components such as lexical analysis, syntax analysis, semantic analysis optimization, and code generation
- Developed and tested the compiler in a Ubuntu virtual machine to ensure a consistent Linux environment

Ada's app **Aug 2024 – Dec 2024**

- App development
- Developed an application for a business to manage customer bookings and appointments
- Implemented features for scheduling, updating, and tracking reservations, improving operational efficiency

Skills

Certified: HTML, CSS, Software development
Programming: C#, Java, Python, Swift, Kotlin, SQL, ADA, C, C++ HTML, CSS, Java Script, Visual Studio, XCODE, Android Studio.
Technical/Programmatic: Data Structures and Algorithms, Microsoft Excel, OOP, Visual Studio, Design Techniques, GitHub.
Platforms: MacOS, Windows, Linux
Languages: English, Spanish

Interests: Music performance (Alto SAX), Gym, Learning
